

solver::phi_der

```
graph LR; A[solver::phi_der] --> B[solver::is_in_interval]
```

A diagram showing a dependency between two solver components. On the left, a gray rectangular box contains the text 'solver::phi_der'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right, which contains the text 'solver::is_in_interval'. Both boxes have a black border.

solver::is_in_interval
